Saw Mill Capital is a lower middle-market private equity firm. Since 1997, we have been partnering with management teams to help successful businesses reach their full potential.

We manage \$610 million of equity capital and are currently investing from a \$340 million fund (2016 vintage).

INVESTMENT CRITERIA

INDUSTRY	SIZE
<ul style="list-style-type: none"> Commercial / Industrial Services Specialty Distribution Manufactured Products 	<ul style="list-style-type: none"> EBITDA: \$5-25 million Revenue: \$25-200 million Equity Investment: \$20-100 million per platform
PROFILE <ul style="list-style-type: none"> Successful entrepreneurial companies Strong market positions with multiple paths to growth Acquire from founders/families, private equity, or corporations (carve-outs) Headquartered in U.S. or Canada Control investments only 	

UNIQUE IN-HOUSE RESEARCH

Dedicated internal research team drives our investment evaluation process. By soliciting diverse perspective from industry experts, we perform all of our industry due diligence prior to submitting an LOI, differentiating ourselves with speed and certainty. We have a proven track record of uncovering obscured value that others overlook.

COLLABORATIVE APPROACH

Saw Mill is an active investor. In partnership with management, we first develop a shared long-term strategic vision. We then deploy proprietary resources from our network and invest, as required, in people, process, systems, and equipment. We actively seek add-on acquisitions to augment growth.
